Major activities affecting case closing which are not reflected above, and matters pending, date of hearing or sale, and other action:

As of date TFR submitted to UST 05/16/11: The one asset administered was the settlement for all non-exempt assets (Debtor selected Federal exemptions). See order dated 09/17/09 docket #13. Due to the uncertainty of sale of the rental property, uncertainty of required gross sales price, and associated costs of sale, the trustee calculated this amount to be a fair settlement, especially given the ability to collect sums immediately and await claims bar deadlines. Claims objections filed and orders granted in April 2011.
