Major activities affecting case closing which are not reflected above, and matters pending, date of hearing or sale, and other action:

As of date sent to UST: 05/11/15: Debtor filed individually. Debtor listed many assets that were possible assets of the estate. Nonfiling spouse (Katrina McFadden) argued that many assets were her sole and separate property. After meeting and discussing various issues, the trustee and Ms. McFadden came to an agreement and filed the settlement with the Court. The Order was granted on 06/06/13 docket #51. Payment was made to the estate on 06/18/13. As noted within Form 1 individual properties, most of the listed assets were included in the global settlement where Ms. McFadden would pay the estate \$50,000 to purchase and hold as her sole property. A final 2013 estate tax return was required; it was filed and accepted as filed in August 2014. Claims reviewed and objections granted in April 2014. Final fee applications filed and professionals paid in February and March 2015.
