Attorneys frequently appearing before the Bankruptcy Court must seek admission to practice in the Eastern District of Texas pursuant to Eastern District Court Rule AT-1. Additional copies are no longer required.

(b) Required Service

1. A debtor must serve any amended schedule, statement, master mailing list (matrix), or list of the twenty (20) largest unsecured creditors upon the case or standing trustee, if any, the United States Trustee, and any party affected by such amendment.

(c) Notice to Newly Scheduled or Added Entities

In addition to all parties entitled to notice of such amendments under the Federal Rules of Bankruptcy Procedure, a debtor must serve a notice of the filing of amended schedules and/or statements on each entity which has been newly added to the matrix or newly scheduled in the amended documents, and must also attach a copy of: (1) the *Notice of Chapter # Bankruptcy Case*; (2) any *Order Fixing Last Date for Filing Claims*; (3) any *Order Confirming Plan*; and/or (4) any *Discharge of Debtor* which have been entered in the case.

(c) **Related Entities**

A motion requesting joint administration of two or more pending bankruptcy cases must be filed in each such case and:

- (1) contain the name and case number of cases sought to be jointly administered;
- (2) address whether the practicalities of providing professional services to the jointly-administered estates preclude any professional person from effectively or accurately separating the services rendered solely for the benefit of one bankruptcy estate vis-a-vis another, thus justifying the submission of a consolidated application for compensation to be filed solely in the main case, accompanied by a proposal for proper apportionment of accumulated fees and expenses between/among the respective bankruptcy estates, subject to the right of any party-in-interest to object to the proposed apportionment;
- (3) identify any existing administrative or scheduling order which might require modification; and

(b) Dismissals

1. A motion to dismiss a case filed by any party in interest must be served upon the master mailing list (matrix) as constituted by the Court on the date of service unless the dismissal is sought under §707(a)(3), §707(b), §1307(b), §1307(c), §1307(e) or for failure to pay the required filing fee, in which service of the motion pursuant to the applicable section of LBR 9013(f)(1) shall suffice.
2. A trustee or the United States Trustee is given the discretion to schedule and provide notice of a hearing to consider a dismissal motion which he/she has filed. Such hearing may only be scheduled on the regularly-scheduled docket date for trustee dismissal motions under that chapter which is not less than: (1) 14 days from the date of filing for dismissal motions under §707(a)(3) or §707(b); or (2) 21 days from the date of filing for all other dismissal motions. 1. A debtor's right to convert a case from Chapter 12 to Chapter 7 pursuant to Bankruptcy Code §1208(a), or from Chapter 13 to Chapter 7 pursuant to Bankruptcy Code §1307(a), is accomplished by the filing of a notice of conversion served upon the master mailing list (matrix) as constituted by the Court on the date of service. - (6) provide a description or disclosure of any compensation or promise of compensation already given to the professional, or of any security or pledge given; including a highlighted disclosure of any agreement to compensate the proposed professional under specified terms and conditions pursuant to §328 of the Bankruptcy Code rather than §330;
- (7) attach the statements required by Fed. R. Bankr. P. 2014(a) and 2016(b);
- (8) attach a certificate of service reflecting service as required by subsection (b) of this Local Rule;
- (9) attach, if there has been a waiver of conflicts in a Chapter 11 case, an adequate description of the waiver and a copy of any written waiver;

- (11) attach a proposed order approving the employment which substantially conforms to *TXEB Local Form 2014*.

(b) Service of Applications

An application made under subsection (a) or (c) of this Local Rule shall be served on the parties designated by LBR 9013(f), as well as any entity described in Fed. R. Bankr. P. 2016 with whom the applicant has agreed to share compensation for services rendered in the case.

(c) Substitute Court Approved Professional

(d) Nunc Pro Tunc Approval

If a professional applies for approval more than 30 days after employment and the professional seeks retroactive approval to the employment date, then the professional seeks approval *nunc pro tunc*. In addition to the general application content requirements, the *nunc pro tunc* application must contain:

- (1) an explanation of why the application was not filed earlier;
- (2) an explanation of why the order authorizing employment is required *nunc pro tunc*;
- (3) an explanation -- to the best of the applicant's knowledge -- of how approval of the application will or will not prejudice any parties-in-interest;

(e) Professionals Employable Without Application

Professionals on the payroll of an operating business at the time of the order for relief are exempt from the provisions of this Local Rule of Bankruptcy Procedure except that the professionals' annual salary and other compensation must be disclosed. This

information must be contained in a separate pleading filed with the Court. The debtor is responsible for filing this pleading at the same time schedules are filed. Service of this pleading shall be on the same parties entitled to notice of an order approving employment of professionals. When cash collateral issues are not implicated, a debtor-in-possession or trustee of an operating business may also apply for an order waiving the provisions of this rule as to professionals of a type who are regularly employed in the ordinary course of a debtor's business and who are to provide services not directly related to the reorganization proceedings (e.g., collection agents or attorneys, accountants, geologists, appraisers, realtors, eviction attorneys, etc.).

Local Rule of Bankruptcy Procedure 2015-1. DUTY TO KEEP RECORDS, MAKE REPORTS, AND GIVE NOTICE OF CASE.

(a) Required Monthly Operating Reports When a Business is Operated

(b) Disposition of Books and Records

Except in cases involving the disposal of patient records governed by § 351 of the Bankruptcy Code, a trustee who is in possession of books and records of the debtor may destroy, abandon, store, or return to the debtor all or a portion of those books and records on 21 days' notice to the Court, the debtor, the attorney for the debtor, the United States Trustee, the United States Attorney, and the appropriate Internal Revenue Service Special Procedures Staff office. A notice must include the 21-day negative notice language described in LBR 9007(a) and a detailed description of the books and records. If no objection to the proposed disposition is filed with the Court and served on the trustee, the disposition may be made without court order or further notice.

- (B) file a *Notice of Plan Completion and §522(q) Statement By Individual Debtor in a Chapter 11 Case* (no service required) in a format substantially conforming to *TXEB Local Form 4004-b* under which each individual debtor declares that all payments under the confirmed Chapter 11 plan have been completed and that all prerequisites for the entry of an order of discharge pursuant to 11 U.S.C. §1141(d)(5) have been fulfilled.

(d) Post Confirmation Requirements in Chapter 11 Subchapter V Cases

1. In a case filed under Chapter 11 in which the Debtor elects treatment under Subchapter V and in which consensual confirmation of the Chapter 11 plan was accomplished under § 1191(a):
 - (A) the Debtor shall file a post confirmation report within 60 days after the date of the order confirming the plan and serve that report upon the master mailing list (matrix) as constituted by the Court on the date of service. The report must inform the Court of the post-confirmation actions taken by the confirmed debtor or the trustee and the progress made toward substantial consummation of the plan;

- (C) the Debtor shall file, upon completion of the Non-Consensual Commitment Period, a *Motion for Entry of Discharge Upon Completion of Non-Consensual Commitment Period* pursuant to LBR 4004(c) which documents that all payments of projected disposable income or equivalent values of property by the Debtor under the confirmed plan as required under § 1191(c)(2) have been completed and that all other prerequisites for the entry of an order of discharge pursuant to 11 U.S.C. § 1192 have been fulfilled; and

(c) Service

A complete copy of the application, including all exhibits thereto, must be served on the debtor or the debtor's counsel, the trustee or the trustee's counsel, attorneys for any court-appointed committees, and the United States Trustee. The applicant must serve a summary of the fee application upon the master mailing list (matrix) as constituted by the Court on the date of service which:

If the fee exhibit to the application exceeds twenty-five (25) pages, the applicant must

deliver a paper copy of the complete application, including all exhibits thereto, to the Clerk for use by the assigned judge per *TXEB Appendix 5005*.

(d) **Multiple Cases**

In cases involving multiple estates -- absent substantive consolidation or special court order -- a separate fee application must be filed for each case, and the detail of services and expenses must be apportioned to each estate or charged to the appropriate estate.

(e) **Pre-Petition Retainers**

1. Any professional, regardless of whether employment of that professional must be approved under §§ 327 or 1103 of the Bankruptcy Code, must deposit any pre-petition payment for prospective services (i.e., a “security retainer”) into a trust or IOLTA account. Except as otherwise authorized under these Local Rules, the security retainer must remain in the account until the Court enters an order allowing removal.
2. This requirement shall not apply to pre-petition payments constituting a classic or advance payment (flat fee) retainer, although such retainer must be disclosed pursuant to Fed. R. Bankr. P. 2016(b) and is subject to review under §329 of the Bankruptcy Code.

(f) **Post-Petition Retainers**

1. Unless otherwise authorized by the Court or these Rules, any post-petition payment received by a professional from the debtor or any other person for the benefit of the debtor must be disclosed to the Court and deposited into a trust or IOLTA account as a security retainer. This rule shall not apply to a post-petition payment tendered by a Chapter 7 debtor with funds which do not constitute property of the bankruptcy estate.
2. Unless the Court orders otherwise, any post-petition payment must remain in the trust or IOLTA account until the Court enters an order allowing its removal. Any motion seeking such removal may be combined with an application for an award of post-petition fees and expenses. The motion must contain the 21-day negative notice language described in LBR 9007(a) and shall be served upon the parties designated by LBR 9013(f). A proposed order shall accompany the motion.

(g) **Motion for Distribution of Retainer in Chapter 11 and 12 Cases**

A motion for distribution of a retainer received by a professional in a Chapter 11 or 12 case may be filed on a monthly basis. Such motion must, at a minimum:

- (1) contain all information required by Fed. R. Bankr. P. 2016(a);
- (2) disclose the name, hourly rate and work experience of each professional performing services for which compensation is sought;
- (3) meet the travel time and expense guidelines referenced in LBR 2016(a);
- (4) utilize the 14-day negative notice language described in LBR 2014(a);
- (5) contain a certificate of service reflecting service on the United States Trustee, the trustee (if one has been appointed), the ten (10) largest unsecured creditors or any committee appointed under the Bankruptcy Code or its authorized agent, and any party which has filed a notice of appearance or request for notice in the case; and
- (6) attach a proposed order granting the motion.

The motion for distribution of retainer shall be treated as an application for interim compensation under §331 of the Bankruptcy Code and, if no objection is filed within 14 days of the service thereof, the filing professional may withdraw from the retainer the amounts set forth as interim compensation without the necessity of a formal order.

(h) Attorney's Fees in Chapter 13 Cases

1. The allowance of compensation and expense reimbursements for an attorney for a Chapter 13 debtor shall encompass pre-petition and post-petition services rendered and expenses incurred prior to the earlier of: (1) the first successful post-confirmation modification of a Chapter 13 plan which occurs subsequent to the filing of the Trustee's Reconciliation Concerning Claims; or (2) the filing of a certification by the Chapter 13 Trustee that all proofs of claim have been reconciled with the terms of the confirmed plan without the necessity of a plan modification (the "Benchmark Fee Period"). Such compensation shall be determined by the timely filing of a formal fee application in compliance with the requirements of this rule unless the attorney elects in the plan for the compensation to be determined by the benchmark fee amounts listed below according to the applicable circumstances:
 - (A) If the attorney has not rendered legal services pertaining to automatic stay litigation arising during the Benchmark Fee Period, a formal fee application is not required so long as the attorney requests \$~~3~~4,500 or less

for the Benchmark Fee Period. The \$~~34~~4,500 benchmark fee shall include all pre-petition payments received by such attorney. This threshold amount may be increased by \$500 in a case involving a debtor engaged in business when so certified by the Chapter 13 Trustee.

(B) If the attorney has rendered legal services pertaining to automatic stay litigation arising during the Benchmark Fee Period, a formal fee application is not required so long as the attorney requests \$~~45~~5,000 or less for the Benchmark Fee Period. The \$~~45~~5,000 benchmark fee shall include all pre-petition payments received by such attorney. This threshold amount may be increased by \$500 in a case involving a debtor engaged in business when so certified by the Chapter 13 Trustee.

2. If an attorney for a Chapter 13 debtor elects to file a formal fee application for fees and expenses incurred during the Benchmark Fee Period, such application shall be filed no later than 30 days after the expiration of the Benchmark Fee Period as outlined in subsection (h)(1). If no formal fee application is filed by that deadline, the allowed compensation awarded to the debtor's attorney for services rendered in the Benchmark Fee Period shall revert to the applicable benchmark amounts authorized by subsection (h)(1) without the necessity of any further motion, notice or hearing.
3. The Chapter 13 trustee shall review a formal fee application and may file an objection or a comment.
4. Unless the Court orders otherwise, the entry of a Chapter 13 confirmation order shall authorize an attorney for a Chapter 13 debtor to withdraw a retainer in full or partial satisfaction of the attorney's outstanding fee without the necessity of a formal order.
5. Fees in excess of the retainer held by an attorney for a Chapter 13 debtor must be paid through the Chapter 13 plan as a Bankruptcy Code § 503(b)(2) administrative expense.
6. To obtain compensation for legal services rendered to a Chapter 13 debtor during any period subsequent to the Benchmark Fee Period outlined in subsection (h)(1), a formal fee application must be filed for allowance of such fees and expenses, unless such services pertain to a successful post-confirmation modification of a Chapter 13 plan achieved during such subsequent time period and either:

- (a) such modification motion contains a detailed request for the award of such fees; or
- (b) the award of fees requested for such modification motion is \$650.00 or less.

7. To obtain a fee award from the funds held by the Chapter 13 Trustee that are otherwise subject to return to the debtor under §1326(a)(2) because the case has been dismissed prior to the entry of a plan confirmation order, the attorney must file an “Application for Administrative Expense by Chapter 13 Debtor’s Attorney” which shall contain 21-day negative notice language and shall be served only upon the debtor(s) and any other party otherwise entitled to a share of those funds pursuant to an order of the Court. Unless otherwise ordered by the Court, such application must be filed prior to the dismissal of the case or it will be terminated without notice. If the application has not completed the required notice period prior to the dismissal of the case, the Court shall retain jurisdiction to consider the application when ripe for adjudication pursuant to the authority recognized in *Querner v. Querner (In re Querner)*, 7 F.3d 1199 (5th Cir. 1993) without the necessity of an order specifically retaining jurisdiction for that purpose.
8. A party in interest always has the right to object to the reasonableness of a fee request. This rule does not establish minimum, maximum, or average fees, nor does it establish the reasonableness of a fee in a particular case.

9. The amount of the benchmark fee amounts as outlined in subsection (h)(1) may be adjusted from time to time by general order of the Court and these rules updated accordingly. The amount of the fee for a successful post-confirmation modification of a Chapter 13 plan as outlined in subsection (h)(6) may be adjusted from time to time by general order of the Court and these rules updated accordingly.

(i) Substitution of Attorney for Debtor

In addition to filing a statement under Fed. R. Bankr. P. 2016(b), an attorney who enters a case as substitute counsel for the debtor shall file a Notice of Appearance in that case, with notice to the master mailing list (matrix) as constituted by the Court on the date of service, which clearly sets forth the substitution of counsel.

(j) Application for Chapter 7 Trustee’s Compensation and Expenses

Consideration of an application for compensation (commission) and reimbursement of expenses filed by a Chapter 7 Trustee shall be governed by the 30-day process outlined in the “Notice of Trustee’s Final Report and Application for Compensation and Deadline to Object to TFR” issued in such Chapter 7 case.

**Local Rule of Bankruptcy Procedure 3003-1. FILING OF PROOF OF CLAIM OR
EQUITY SECURITY INTEREST IN CHAPTER 9 OR CHAPTER 11
REORGANIZATION CASES.**

(a) Time for Filing

A proof of claim is timely filed in a Chapter 9 or Chapter 11 case if it is filed not later than 120 days after the entry of the order for relief under that chapter, except as follows:

1. in a Chapter 11 case governed by Subchapter V, a proof of claim for a creditor other than a governmental unit is timely filed if it is filed not later than 70 days after the entry of the order for relief;

2. If the Court orders a different bar date for filing proofs of claim or interest, then the order will conspicuously reflect that a new date has been set and that the new date differs from the deadline established in subsection (a) of this Rule.

Local Rule of Bankruptcy Procedure 3007-1. OBJECTIONS TO CLAIMS.

- (1) a copy of the proof of claim (without exhibits) to which the objection pertains;
- (2) an affidavit and/or other documentary proof in support of the objection which is sufficient to overcome the presumption of validity imposed by Fed. R. Bankr. P. 3001(f) and, if pertaining to the valuation of collateral, a clear identification of the basis of any valuation opinion asserted;
- (3) a certificate of service evidencing service of the claims objection upon the person most recently designated on the claimant's proof of claim as the person to receive notices, at the notice address indicated thereon, and upon all other parties entitled to notice under other applicable service rules; and
- (4) a proposed order substantially conforming to *TXEB Local Form 3007*.

(b) Hearings

A party filing an objection to claim, other than an objection for which the filing of an adversary proceeding is required, may elect to utilize the following 30-day negative notice language which must be located in the objection text — preferably on the initial page:

30-DAY NEGATIVE NOTICE – LBR 3007(b):

ATTENTION: YOUR CLAIM MAY BE REDUCED, MODIFIED, OR ELIMINATED. Accordingly, you should read this pleading carefully and discuss it with your attorney, if you have one in this bankruptcy case. If you do not wish for the Court to eliminate or change your claim, you must file a written response opposing the claim objection, explaining the factual and/or

legal basis for that response.

No hearing will be conducted on this claim objection unless a written response in opposition is filed with the Clerk of the United States Bankruptcy Court and served upon the party filing this pleading *WITHIN THIRTY (30) DAYS FROM THE DATE OF SERVICE* listed in the certificate of service unless the Court shortens or extends the time for filing such response. If no response in opposition is timely served and filed, this claim objection shall be deemed to be unopposed, and the Court may enter an order sustaining the objection to your claim. If a response in opposition is filed and served in a timely manner, the Court will thereafter set a hearing with appropriate notice. If you fail to appear at the hearing, your response in opposition may be stricken. The Court reserves the right to set a hearing on any matter.

If the objection meets the requirements mandated by subsection (a) of this rule and no response in opposition to the claim objection is timely filed under the terms of the negative notice provided, the objection may be sustained by the Court without further notice or hearing. If a response to the claim objection is timely filed, the claim objection shall be set for hearing on not less than 30 days' notice. If a claim objection does not contain negative notice language, then the claim objection shall immediately be set for hearing on not less than 30 days' notice.

(c) Omnibus Claim Objections Prohibited

Except as authorized by Fed. R. Bankr. P. 3007 or unless otherwise authorized by the Court, omnibus claim objections to groups of claims are not allowed. Each claim objection must deal with one specific claim.

(d) Claim Procedures in Chapter 13 Cases

The procedure for adjudication of claims in Chapter 13 cases, including the establishment of a bar date for the filing of claim objections in Chapter 13 cases, is governed by LBR 3015(g).

(b) Service and Notice

A debtor filing an original or modified Chapter 12 or 13 plan must serve such plan upon the master mailing list (matrix) as constituted by the Court on the date of service, including the standing trustee. A certificate of service evidencing the proper service of the plan on the matrix must be filed with the Court or such plan will be stricken. If a plan summary is not filed concurrently with a proposed plan, the plan summary must clearly identify by date of filing the proposed plan which it summarizes.

(c) Plan Payments

1. Except to the extent that a proposed Chapter 13 plan provides for retention of collateral and direct payments by the debtor to the holder of a claim secured thereby or is otherwise authorized by the Court, no Chapter 13 debtor may provide adequate protection payments directly to a holder of a secured claim under the provisions of §1326(a)(1)(C) but shall instead tender required adequate protection payments to the Chapter 13 Trustee in an amount equivalent to 1.50% of the value of the utilized collateral on the Petition Date and accruing for each 30-day period from the Petition Date until the month in which equal monthly payments to such holder are initiated under a confirmed plan, or as otherwise ordered by the Court.
2. Any adequate protection payment tendered to the Chapter 13 Trustee pursuant to this rule shall be held solely for the benefit of the affected secured creditor to the exclusion of the debtor and shall be tendered to that secured creditor by the Chapter 13 Trustee at the earliest practicable time, notwithstanding any failure of a debtor to confirm a Chapter 13 plan.

(d) Chapter 12 - Initial Confirmation Process

1. In a Chapter 12 case, the initial confirmation hearing date will be established by separate order.
2. An objection to confirmation by a creditor or party-in-interest must be filed no later than seven (7) days prior to confirmation, and untimely objections may not be considered by the Court.
3. The Chapter 12 Trustee must submit a confirmation recommendation and report,

in which the Trustee must set forth all objections to the confirmation of the proposed Chapter 12 plan. This report must be filed with the Court and served on the debtor and the debtor's attorney at least seven (7) days prior to the scheduled confirmation hearing.

(e) **Chapter 13 - Initial Confirmation Process**

1. The notice of the initial § 341 meeting of creditors in a Chapter 13 case contains notice of the initial hearing to consider confirmation of a proposed Chapter 13 plan.
2. An objection to confirmation by a creditor or party-in-interest, other than the Chapter 13 Trustee, must be filed no later than fourteen (14) days prior to the scheduled hearing to consider confirmation of the plan, and untimely objections may not be considered by the Court.
3. No later than seven (7) days prior to the scheduled hearing to consider confirmation of the plan, a debtor shall:
 - (A) tender to the Chapter 13 Trustee a proposed confirmation order in a format which substantially conforms to *TXEB Local Form 3015-b*;
 - (B) file with the Court a declaration under penalty of perjury from the Debtors regarding the status of post-petition mortgage obligations which substantially conforms to *TXEB Local Form 3015-c*;

 - (A) if the Chapter 13 Trustee wishes to object to the confirmation of a proposed plan, a confirmation report must be filed in which the Trustee must set forth all objections to the confirmation of the proposed Chapter 13 plan. This report must be filed with the Court and served on the debtor and the debtor's attorney at least seven (7) days prior to the scheduled confirmation hearing;
 - (B) if the Chapter 13 Trustee wishes to recommend confirmation of the proposed plan and if all objections have been resolved, the Chapter 13 Trustee may upload an approved proposed confirmation order to the Court

and such action will constitute a recommendation by the Trustee for confirmation of the proposed plan without the necessity of presenting additional documentation.

5. Upon the upload of an approved confirmation order by the Chapter 13 Trustee, the confirmation of the plan shall be considered unopposed, the attendance of the Debtor and the Debtor's counsel at the scheduled confirmation hearing shall be excused, and the Court may enter the submitted confirmation order without further hearing. Upon its review of the proposed plan and confirmation order, the Court reserves the right to reschedule the confirmation hearing with notice to all parties.
6. Upon the entry of an order denying confirmation of any original or amended Chapter 13 plan, any objection previously filed to that plan is resolved for all purposes and any objection by a creditor or party-in-interest to the confirmation of a subsequently-proposed Chapter 13 plan must be filed no later than seven (7) days prior to the scheduled hearing to consider that subsequently-proposed plan.

(f) Pre-Confirmation Amendment Process

1. If a Chapter 12 or Chapter 13 plan is amended in the pre-confirmation period with less than 35 days' notice before the confirmation hearing, the confirmation hearing will proceed only if the Court determines that:
 - (a) the modification does not adversely affect any creditors;
 - (b) any adversely affected creditor has consented; or
 - (c) the adverse impact of the modification on creditors is de minimis.

If a pre-confirmation plan amendment does not meet one of the three preceding requirements and additional notice of the amended plan is therefore required, a new confirmation hearing shall be scheduled, the deadline for filing an objection to the amended plan shall be extended to seven (7) days prior to the new confirmation hearing date, and the debtor shall provide notice of the new confirmation hearing date and the corresponding new 7-day objection deadline to the master mailing list (matrix) as constituted by the Court on the date of service. A certificate of service evidencing that proper notice has been given must be filed with the Court.

2. In the event that a new confirmation hearing is required to be scheduled due to a pre-confirmation amendment of the plan, and unless the Court orders otherwise, the continuation of the confirmation hearing in that context shall establish a final dismissal deadline for achieving confirmation of the proposed amended plan without the necessity of the entry of an independent order and, in the event that the debtor fails to confirm such an amended plan upon consideration by the Court at the rescheduled confirmation hearing, the underlying bankruptcy case shall be immediately dismissed, pursuant to §349(a) of the Bankruptcy Code, without further notice or hearing and with prejudice to the rights of the debtor to file a subsequent petition under any chapter of Title 11, United States Code, for a period of 120 days from the entry of the order of dismissal.

(g) Claims Adjudication in Chapter 13 Cases

1. A Trustee's Reconciliation Concerning Claims ("TRCC") shall be filed by the Chapter 13 Trustee within 45 days following the latter of: (a) the expiration of the time allowed for the filing of a proof of claim by a governmental unit; (b) the entry of an order confirming the Chapter 13 plan. The Chapter 13 Trustee is authorized to extend the TRCC deadline to a specified future date without leave of court on one occasion in any case by filing a notification with the Court which outlines the necessity for such an extension.
2. A TRCC shall serve primarily as a reconciliation device between the claims registry and the terms of the confirmed Chapter 13 plan.
3. As set forth below, the TRCC shall also provide prominent notice of the deadline by which challenges to claims filed in a Chapter 13 case must be filed by any party-in-interest, regardless of the means utilized to bring such challenge.
4. Absent a court order to the contrary, the deadline in a Chapter 13 case for any party-in-interest to:
 - (i) file an objection to the allowance of any proof of claim;
 - (ii) file a motion under Rule 3012 to determine the amount of a secured claim through the valuation of collateral; or
 - (iii) avoid or otherwise challenge the validity of any security interest claimed in any proof of claim,

shall be the twenty-first (21st) day following the date of service of the TRCC.

5. A TRCC shall therefore contain the following notice:

Notice of Filing Deadline for Challenging Claims

YOU ARE NOTIFIED that, pursuant to LBR 3015(g), the deadline for: (1) filing an objection to the allowance of any proof of claim filed in this case; (2) filing a motion for valuation of collateral to determine the amount of a secured claim filed in this case pursuant to Rule 3012; or (3) filing an appropriate pleading to avoid or otherwise challenge the validity of any security interest claimed in any proof of claim filed in this case, is the **twenty-first (21st) day following the date of service of this document.**

6. Since a TRCC serves as a reconciliation document which requires no court approval, no negative notice language nor any proposed order is required.
7. A certificate of service is required, evidencing service of the TRCC upon the master mailing list (matrix) as constituted by the Court on the date of service.
8. Any claim objection filed by a party-in-interest in a Chapter 13 case must comply with the requirements of LBR 3007.
9. When any claim is challenged by a proper objection, the Chapter 13 Trustee shall reserve funds otherwise attributable to that claim until the dispute regarding such claim has been resolved. If the claim resolution results in an increase of money available for distribution to any class of creditors under the confirmed plan, the Chapter 13 Trustee may accordingly adjust payments to be made on allowed claims without the necessity of filing an additional TRCC.

(h) Post Confirmation Modification

1. In a Chapter 13 case, a proponent requesting the post-confirmation modification of a Chapter 13 plan shall file a proposed *Motion to Modify Confirmed Chapter 13 Plan* in a format which substantially conforms to *TXEB Local Form 3015-d*. The motion must be accompanied by a proposed *Order Modifying Confirmed Chapter 13 Plan* in a format which substantially conforms to *TXEB Local Form 3015-e*.

3. In either a Chapter 12 or 13 case, the standing trustee is authorized during the pendency of a post-confirmation modification motion to maintain payments on allowed claims the treatment of which stands unaffected by the proposed modification.
4. In a Chapter 13 case, a debtor seeking a modification of a confirmed plan must contemporaneously file with the Court:
 - (a) a declaration under penalty of perjury regarding the status of post-petition mortgage obligations which substantially conforms to *TXEB Local Form 3015-c*;
 - (b) an amended Schedule I and an amended Schedule J in order to verify current income and expenditure information or, in the alternative, certify under penalty of perjury in the modification motion filed with the Court that the information contained in Schedule I and Schedule J as previously filed with the Court remains true and correct.
5. In either a Chapter 12 or 13 case, a proponent seeking a modification of a confirmed plan must serve the proposed modification, together with any attachments, to the master mailing list (matrix) as constituted by the Court on the date of service and file a certificate of service evidencing such service. The motion must also contain the following 28-day negative notice language, which must appear as presented and be located in the motion text — preferably on the initial page:

28-DAY NEGATIVE NOTICE – LBR 3015(h):

case. If you oppose the relief sought by this pleading, you must file a written objection, explaining the factual and/or legal basis for opposing the relief.

No hearing will be conducted on this Motion unless a written objection is filed with the Clerk of the United States Bankruptcy Court and served upon the party filing this pleading WITHIN TWENTY-EIGHT (28) DAYS FROM THE DATE OF SERVICE shown in the certificate of service unless the Court shortens or extends the time for filing such objection. If no objection is timely served and filed, this pleading shall be deemed to be unopposed, and the Court may enter an order confirming this plan modification. If an objection is filed and served in a timely manner, the Court will thereafter set a hearing with appropriate notice. If you fail to appear at the hearing, your objection may be stricken. The Court reserves the right to set a hearing on any matter.

5. With the exception of the expanded response time, modifications shall be handled in accordance with the Court's usual motion procedures.

Such request shall contain a certificate of service evidencing service upon the parties designated by LBR 9013(f) and shall be accompanied by a proposed order substantially conforming to *TXEB Local Form 3017.1*. The request will not require negative notice language and will be presented to the Court for immediate consideration

(b) Waiver

A plan proponent in a small business case may seek to waive the requirement of a disclosure statement because the proposed plan of reorganization itself provides adequate information. Such motion shall be served upon the parties designated by LBR 9013(f) and must contain the following 14-day negative notice language, to be located in the motion text — preferably on the initial page:

The actual ballots must be attached to the ballot summary.
2. The ballot summary will be marked as an exhibit for the plan proponent at the confirmation hearing. Thus, the plan proponent must provide appropriate copies of the ballot summary pursuant to LBR 7016(d), as incorporated into contested matters by LBR 9014(d).

21-DAY NEGATIVE NOTICE – LBR 9007(a):

Your rights may be affected by the relief sought in this pleading. You should read this pleading carefully and discuss it with your attorney, if you have one in this bankruptcy case. If you oppose the relief sought by this pleading, you must file a written objection, explaining the factual and/or legal basis for opposing the relief.

No hearing will be conducted on this Motion/Objection/Application unless a written objection is filed with the Clerk of the United States Bankruptcy Court and served upon the party filing this pleading WITHIN TWENTY-ONE (21) DAYS FROM THE DATE OF SERVICE shown in the certificate of service unless the Court shortens or extends the time for filing such objection. If no objection is timely served and filed, this pleading shall be deemed to be unopposed, and the Court may enter an order granting the relief sought. If an objection is filed and served in a timely manner, the Court will thereafter set a hearing with appropriate notice. If you fail to appear at the hearing, your objection may be stricken. The Court reserves the right to set a hearing on any matter.

2. An “emergency” is a matter which requires a hearing in less than seven (7) days, and which involves an irreparable injury which outweighs procedural due process concerns. A request for an emergency hearing is given the highest priority by the Court. Abuse of the emergency process may subject parties and/or attorneys to sanctions, contempt, or other disciplinary powers of the Court.

3. A request for emergency hearing must contain the following:
- (A) sufficient factual information for the Court to find just cause for the scheduling of an emergency hearing;
 - (B) a certificate of conference reflecting inability to agree or inability to confer;
 - (C) a certificate of service reflecting service by e-mail or facsimile, if possible, and by first class mail;
 - (D) an affidavit or an unsworn declaration under penalty of perjury as provided in 28 U.S.C. §1746 by the party or the attorney attesting to the emergency facts;
 - (E) a form order substantially conforming to *TXEB Local Form 9007-b*.

(c) **Request for Expedited Hearing**

If a motion requires a hearing on shortened notice but does not require an emergency hearing, the motion should still contain any applicable negative notice language and an application to shorten notice and/or to schedule an expedited hearing must be filed in accordance with Fed. R. Bankr. P. 9006(c). The request for expedited hearing must be accompanied by a proposed order substantially conforming to *TXEB Local Form 9007-c*.

(d) **Complex Chapter 11 Cases**

Procedures set forth in these Local Rules may be superseded in complex Chapter 11 cases by the procedures set forth in *TXEB Appendix 9007*.

Local Rule of Bankruptcy Procedure 9011-1. SIGNING PLEADINGS.

In addition to the requirements of Fed. R. Bankr. P. 9011, every pleading must contain the attorney's state bar number. Failure to comply with Fed. R. Bankr. P. 9011 or this local rule may result in dismissal of the pleading by the Court or other appropriate sanctions.

Local Rule of Bankruptcy Procedure 9013-1. MOTION PRACTICE.

(a) **Form**

A motion or application, an objection to a proof of claim, or an objection to a debtor's claim of exemption, must contain all information required under these Local Rules of Bankruptcy Procedure including any applicable negative notice language. A failure to include required information may result in the dismissal of that pleading.

(b) **Proposed Orders.**

1. Any motion, application, or objection shall be accompanied by a proposed order with a title that describes the relief and refers to the pleading which it accompanies.
2. A proposed order must clearly delineate that the motion is being granted or denied, or that an objection is being sustained or denied, and avoid non-descriptive titles such as "Order On" or "Order Regarding" in order to provide effective notification of the entry of such order to affected parties.
3. A failure to attach a proposed order may result in the dismissal of the referenced pleading.

(c) **[Reserved for future use]**

(d) **Redaction of Personal Identifiers**

Pursuant to Fed. R. Bankr. P. 9037 and the exemptions contained therein, as well as policies adopted by the Judicial Conference of the United States, all parties must refrain from including, or shall redact where inclusion is necessary, the following personal identifiers from all pleadings and exhibits filed with the Court, unless ordered by the Court to do otherwise:

- **Social Security Numbers:** if disclosure of a social security number is required, only the last four digits of that number should be used;
- **Names of Minor Children:** if disclosure of the identity of any minor child is required, only the initials of that child should be used;
- **Dates of Birth:** if disclosure of an individual's date of birth is required by any statement or schedule, only the year should be used;
- **Financial Account Numbers:** if disclosure of any financial account number is required, only the last four digits of that number should be used.

- **Driver's License Numbers:** parties should redact license numbers when attaching a copy of any driver's license to any pleading, including motions pertaining to unclaimed funds.

The responsibility for redacting these personal identifiers rests solely with counsel and the parties. The Court will not review each pleading for compliance with this rule. Parties are cautioned that failure to redact these personal identifiers may subject them to the full disciplinary power of the Court.

(e) Notices: Certificate of Service

1. A motion, application, or other document filed with the Court when notice to interested parties is required under applicable law, or in which the relief requested may adversely affect an interested party, must contain a certificate of service.
2. The certificate of service must indicate specifically the parties served (including their addresses), the method of service, the date of service, and shall be signed by an attorney or an agent thereof.
3. Failure to include a certificate of service in compliance with this rule may result in the dismissal, denial or striking of the affected pleading.

(f) Notices: Parties-in-Interest Served

1. When a motion or application is filed which can only be authorized or granted on notice or “after notice and hearing” as such phrase is defined in Bankruptcy Code §102 (other than motions relating to appeals from orders or for new trial), including motions for relief from automatic stay, the movant shall serve a copy of the motion, or a summary of the motion, upon all parties entitled to service of such motion or any hearing on such a motion under any Federal Rule or Local Rule of Bankruptcy Procedure. Such service includes the following parties at a minimum:
 - (A) In a Chapter 7 case: the debtor, the trustee, the United States Trustee, all members of any official committee, and their respective attorneys; all parties who have filed a notice of appearance or request for notice in the case; and, if the motion involves relief from the stay with respect to property, any other parties claiming a security interest of record in the same property;

- (B) In a Chapter 11 case: the debtor, the United States Trustee, the case trustee (if one has been appointed), all members of any official committee, and their respective attorneys; all secured creditors; all governmental units, the twenty (20) largest unsecured creditors (only in the event that no official committee of unsecured creditors has been formed); and all parties who have filed a notice of appearance or request for notice in the case;

- (C) In a Chapter 12 or 13 case: the debtor, the debtor's attorney, the Chapter 12 or 13 Trustee, all parties who have filed a notice of appearance or request for notice in the case, and, if the motion involves relief from the stay or a motion for valuation with respect to property, any party claiming a security interest of record in the same property [no service upon United States Trustee is required].

For further information, parties should consult this Court's Guide to Practice and Procedures which is available at the Court's website [www.txeb.uscourts.gov].

2. Any summary of a motion or application issued to parties entitled to service shall contain:
- (A) the relevant facts regarding the motion or application;
 - (B) appropriate negative notice language as designated in these Local Rules for that type of motion or application; and
 - (C) a notification that a complete copy of the motion or application will be sent to any requesting party at no charge.

(g) Briefs

Authorities and argument may be briefed in a motion, application or responsive pleading, and a separate brief or memorandum of authorities is not required. However, any party wishing to submit a separate brief must do so no later than three (3) business days prior to a hearing.

Documents filed in any matter governed by this rule may be served upon another party by electronic means that are consistent with technical standards established by the Judicial Conference of the United States and are in compliance with the *Administrative Procedures for the Filing, Signing, and Verifying of Documents by Electronic Means* as set forth in *TXEB Appendix 5005*. 1. Excluding the filing of a *response* to an objection to claim under LBR 3007 or to an objection to the debtor's claim of exemption under LBR 4003, any party who opposes the relief requested in any pleading containing negative notice language must file an *objection* within the designated negative notice period.
2. An objection -- or a "response" under LBR 3007 or 4003 only -- must conform to the requirements of Fed. R. Civ. P. 8(b) and is the only responsive pleading in a contested matter which constitutes a request for hearing. Any other type must be properly denominated as a *comment* and will not trigger the scheduling of a hearing before the Court.
3. If no objection -- or no "response" under LBR 3007 or 4003 only -- is filed within the designated negative notice period, the Court will deem the pleading unopposed and proceed to consider the merits of the pleading without a hearing in light of any comments which have been filed.
4. The title of a responsive pleading must state the respondent's name and incorporate the title of the original pleading. For example, "Big Bank's Objection [or Comment] to Deborah Debtor's Motion to Avoid Lien."
5. A responsive pleading must contain a certificate of service under LBR 9013(e) which documents that appropriate service has been accomplished under LBR 9013(f).
6. A responsive pleading does not require a proposed order.

(c) Scheduling of Hearings

1. Hearings before the Court are generally scheduled and noticed by the Clerk through the auspices of the Bankruptcy Noticing Center.
2. The Courtroom Deputy must be contacted if the parties anticipate that a hearing scheduled to be conducted on a general docket date will exceed one (1) hour.

3. Once a hearing has been scheduled, any amendment of the pleading scheduled for hearing shall comply with LBR 9004(e) and become the operative pleading for the hearing. The amendment of a pleading scheduled for hearing shall not result in the cancellation of the hearing unless otherwise ordered by the Court.

(d) Trial Preparation

1. Subsections (a) and (f) of Fed. R. Bankr. P. 7026 and all other provisions of Fed. R. Bankr. P. 7026 pertaining to or based upon those subsections, shall not apply in a contested matter unless the Court orders otherwise.
2. Each party to a hearing on a contested matter shall provide to every other party:
 - (A) a witness list;

 - (C) a copy of all exhibits, properly identified by number or letter as required by LBR 7016(d), which that party may seek to introduce at the hearing.

-
4. Excluding the time established for the exchange of exhibits among the parties as set forth in this subsection, the presentation of exhibits to the Court in contested matters shall be governed by LBR 7016(d).
 5. Any brief must be filed at least three (3) business days prior to the hearing.
 6. Witnesses may present testimony at any scheduled hearing on a contested matter except for preliminary hearings on motions for relief from the automatic stay and hearings to determine the adequacy of a Chapter 11 disclosure statement, although the Court may grant leave upon proper motion to allow witnesses to testify at any scheduled hearing.

Local Rule of Bankruptcy Procedure 9017-1. EVIDENCE.

Exhibits introduced into evidence may be withdrawn from the custody of the Clerk only upon order of the Court. Any exhibit not withdrawn 30 days after final disposition of the proceedings may be destroyed without further order or notice.

Local Rule of Bankruptcy Procedure 9018-1. FILING DOCUMENTS UNDER SEAL.

No document shall be placed under seal unless authorized by the Court. A motion to place a document under seal shall not require service nor negative notice language, but shall be accompanied by a proposed order. Parties seeking to submit documents under seal should also consult Section III(A) of *TXEB Appendix 5005* regarding the submission of documents under seal by electronic means. Any party may seek to vacate or modify the order and the Court, after hearing on notice, shall determine such motion in a manner designed to preserve the confidential nature of the information sought to be protected.
