1 Introduction

On January 12, 2021, the President signed into law the [Bankruptcy Administration Improvement Act of 2020 \(BAIA\)](#). Among several provisions of significance to the judiciary, the BAIA amends section 330 of the Bankruptcy Code ([11 U.S.C. § 330](#)) to include a new subsection (e); this subsection establishes a new payment for trustees serving in chapter 7 bankruptcy cases, funded by excess collections in the U.S. Trustee System Fund and paid by the judiciary.

A chapter 7 trustee serving in a case filed under chapter 7 on or after January 12, 2021, and through September 30, 2026 (or a case originally filed under chapters 11, 12, or 13 on or after January 12, 2021, and later converted to chapter 7 on or before September 30, 2026), is eligible to receive up to \$60 in compensation for each applicable case.

This new payment supplements the existing payment for trustees serving in chapter 7 cases. The trustees will receive this new payment from the Chapter 7 Trustee Fund established by section 330(e)(1). **Chapter 7 Trustees will be required to certify that they are eligible to receive the payment through the filing of a new CM/ECF event “Trustee Services Rendered Pursuant to 330(e)”. Use of any other CM/ECF event will result in a delay in payment or failure of the Chapter 7 Trustee being identified as eligible for payment.**

Chapter 7 Trustees should review the [Interim Regulations for Trustee Payments Under 11 U.S.C. § 330\(e\)](#) available on www.uscourts.gov > Rules & Policies > Judiciary Policies > Bankruptcy Case Policies for guidelines regarding the new payment available per BAIA. Chapter 7 Trustees should refer specifically to Section 5: Trustee Eligibility for Payment, Section 6: Disbursing Section 330(e) Payments, and Section 7: Claims for Section 330(e) Payment.

This document summarizes the changes when you use CM/ECF in a U.S. Bankruptcy Court in compliance with the BAIA.

2 Process for Payment

Per Section 6: Disbursing Section 330(e) Payments of the [Interim Regulations for Trustee Payments Under 11 U.S.C. § 330\(e\)](#), payments are made after the certification has been filed, the amount available has been determined, and the funds are available in the Chapter 7 Trustee Fund. Payments will not be issued until after the end of the applicable fiscal year and are issued without regard to the timing of the payment made under 11 U.S.C. § 330(b).

For Fiscal Year 2021 and because BAIA was signed into law on January 12, 2021, Chapter 7 Trustees will need to review all assigned cases filed on or after January 12, 2021, and through September 30, 2021 (or a case originally filed under chapters 11, 12, or 13 on or after January 12, 2021, and later converted to chapter 7 through September 30, 2021). Chapter 7 Trustees will then need to retroactively make a claim for payment under 11 U.S.C. § 330(e) by filing a “Trustee Services Rendered Pursuant to 330(e)” event to certify they are eligible for payment.

For Fiscal Year (Oct 1 to Sept. 30) 2022 through 2026, Chapter 7 Trustees may make a claim for payment under 11 U.S.C. § 330(e) by filing a “Trustee Services Rendered Pursuant to 330(e)” event to certify they are eligible for payment no sooner than seven days after the trustee has been notified of selection in a case. See: Fed. R. Bankr. P. 2008. The certification required should be filed no later than 90 days after the later of the following two events:

- (A) The judiciary posting the annual notice on its public website that payments can commence for the prior fiscal year; or
- (B) The event that supports the certification that the trustee has rendered services under subparagraph (a)(3).

If a certification is filed in error or, for any other reason, the certification needs to be withdrawn, Chapter 7 Trustees must immediately file a “Withdrawal of Trustee Services Rendered Pursuant to 330(e)” event. The certification may not be withdrawn after payment has been issued. A certification may be re-filed if necessary and applicable.

When the funds are available for payments under 11 U.S.C. § 330(e), Courts will use a Trustee Services Rendered report to identify the Trustees to be paid based on the “Trustee Services Rendered Pursuant to 330(e)” event filed. After courts have processed payment, courts will docket a Trustee Payment Under 11 U.S.C. 330(e) Processed event.

3 New CM/ECF Docket Event: Trustee Services Rendered Pursuant to 330(e)

Chapter 7 Trustees must make a claim for payment under 11 U.S.C. § 330(e) by filing a “Trustee Services Rendered Pursuant to 330(e)” event to certify they are eligible for payment for a case that meets the BAIA criteria.
